

# Help Stock Our Classrooms!

The Children's Development Academy is a nonprofit preschool that has provided high-quality early education to children from low-income families in North Fulton for more than 55 years. At the CDA, we provide ALL classroom supplies for each child, ensuring that our parents and teachers don't have to worry about purchasing them.

**We need your help to stock our classrooms for the upcoming school year!**

Is your business, church, or civic group interested in hosting a Back-to-School Drive for the CDA?
