CDA's Party on our Playground Returns for the Third Year

Roswell, GA (August 28, 2022) – The grownups are taking over the playground for the 3rd annual Party on our Playground fundraiser benefitting the Children's Development Academy (CDA) in Roswell. This adults-only event is held on the CDA's two-acre playground which is transformed with twinkling lights, music, food and drinks. The CDA provides high-quality early education to children from families who otherwise couldn't afford it. All proceeds from this event help support the CDA's mission.

This year's event will be held on October 14 from 6-9:30pm on the CDA playground at 89 Grove Way in Roswell. Tickets include dinner, drinks and entertainment for \$75 each. Early bird tickets are available for \$55 through September 8 at cdakids.org.

"The money we raise during Party on our Playground helps support our teachers, our program and our kids here at the CDA," said CDA CEO and Executive Director Maggie DeCan. "We love to see the community come out for a fun night on our playground and really make a difference in the lives of kids who we serve every day!"

An electric scooter from Dumber Scoters will also be raffled off at the event. Tickets are \$100 each and you do not need to be present to win. Only 150 tickets will be sold. Purchase raffle tickets at <https://cdaplayground23.givesmart.com/>.

ADP is a leading sponsor for this event. Brilliant Custom Design Studio + Jewelry Boutique is donating a jewelry tree with all proceeds benefitting the CDA and American Pasta is providing the food.

About CDA: Children’s Development Academy (CDA) is a non-profit organization in Roswell, Georgia providing high-quality early care and learning to at-risk children in the greater north metro arc. Services enable families to work and contribute to Georgia’s economy while their children are gaining the skills needed to be successful in school and life. The CDA provides a NAEYC accredited Three Star Quality rated program that teaches children the social, emotional and academic skills needed to excel. Founded in 1968 by a group of early pioneers in school readiness movement, the CDA grew from a home basement, to a church, to a community building located in the Historic Grove Way in Roswell. The Center opened in 1976. Currently the CDA serves up to 200 children ages 1 to 5 years.
