CDA's Party on our Playground Returns for the Second Year

Roswell, GA (September 12, 2022) – The Children's Development Academy's (CDA) fall fundraiser, Party on our Playground, is returning for the second year. This year's event will be held on October 22 from 6-10pm on the playground at the CDA located at 89 Grove Way in Roswell. Tickets are \$55 each and available now on the CDA website at cdakids.org/party-on-our-playground. The event raises money to help support the CDA mission of affording all children in our community high-quality early education.

The adult-only event will include beer, wine, and a signature drink along with tapas inspired by the diverse countries that CDA students and teachers represent. Local artists Tim and Jake Christner will perform. Raffle tickets are also on sale to win one of five prize packages featuring a grand prize mountain house getaway. You do not need to be present to win the raffle.

"We are so happy to bring back Party on our Playground again this year," said CDA CEO and Executive Director Maggie DeCan. "We got such great feedback last year that guests liked being here at the CDA on the playground and in the classrooms to see their support in action. I'd invite anyone that is looking to get more involved in our community to come out and find out how they can help make a difference for the kids!"
