

Floater Assistant Teacher

Description

Summary

We are seeking experienced, early education professionals to pursue their calling in our NAEYC accredited, Georgia 3-Star Quality Rated program for our **Floater Assistant Teacher opportunity**. With low classroom ratios, generous supply budget, supportive management, and a great mission, 97% of our staff stated they would recommend us as a place to work.

Duties

Candidates should embody the qualities of a great floater; high energy, dependability, caring, responsible, openness to learning, and a genuine love for working with children. **Above all, we are seeking someone who works best in a collaborative environment and who is comfortable working in various rooms with children ages 1-year-old through 5-year-old.**

General Duties: The Floater will support the Lead Teacher and Assistant Teacher in the classroom and the center director by helping create a caring and safe environment for the children while assisting in classroom activities and educating the children. S/he must listen and communicate well with others in a team environment, and must have:

- A love for children and a strong desire to make a difference every day.
- Ability to build relationships with families and coworkers and create a dynamic environment where play and discovery go hand-in-hand.
- Support your center's success by collaborating with center staff and leadership to achieve goals around accreditation, and engagement.
- Cultivate positive relationships with families, teachers, state licensing authorities, community contacts, and corporate partners.
